SOBRE NÓS | ABOUT US

Se no século XVI a Companhia das Índias transacionava por mar bens portugueses para todo mundo, cinco séculos depois, a Companhia Atlântica tem como objetivo criar produtos com memória e com personalidade para que também eles cruzem oceanos.

Estas peças com assinatura nascem do imaginário dos designers que todos os dias (re)visitam as raízes deste país com mais de 800 anos de história para analisar todo o património genético à lupa, fundindo-o posteriormente com a sua experiência multicultural.

Os criativos procuram nas nossas tradições e na nossa bagagem cultural e artística a inspiração para (r)redescobrir, (re)interpretar e (re)inventar a nossa Portugalidade, conferindo a esta identidade coletiva uma linguagem intemporal e uma roupagem mais estilizada.

No fundo, o que se pretende é desenhar produtos com status, cujo conceito, materiais e métodos de produção se baseiem no nosso ADN passado, mas que possuam um traço da inovação, representando, assim, um Portugal moderno, com futuro e com a autoestima elevada.

Somos um povo feito de história e de memória. Somos um povo que influencia e que se deixa influenciar. Somos um povo que procura nas outras culturas os detalhes certos para os transformar e tornar seus. Somos um povo que, no fundo, sabe dar e receber de forma honesta e diferenciada.

Criamos produtos que fazem parte do quotidiano e pretendemos que os mesmos proporcionem experiências únicas e memoráveis aos seus consumidores. Queremos que as nossas peças tragam à lembrança momentos especiais associados a toda a Portugalidade de que são feitos.

Todos os nossos produtos possuem etiqueta 100% Made in Portugal, na medida em que são inspirados nas nossas seculares tradições, só integram matérias-primas nacionais e são fabricados por artesãos locais de Norte a Sul do país, os quais conferem às peças toda a essência da alma lusitana.

If, in the 16th century, the Indies Company sailed the seas to sell Portuguese goods around the world, five centuries later, the Atlantic Company aims to create products with memory and personality to also cross oceans.

These signature items were created by imaginative designers, who (re) visit daily the roots of this country with over 800 years of history to look at the nation's genetic history with a magnifying glass, to then merge this with its multicultural experience.

In our traditions and cultural/artistic baggage, our creators look to draw inspiration to (re)discover, (re)interpret and (re)invent our Portuguese soul, giving this collective identity a timeless language and a more stylish look.

Ultimately, the goal is to design products with status, whose concept, materials and production methods are based on our ancestors' DNA but feature a dash of innovation to convey modern Portugal, with a bright future and oozing self-confidence.

We are a people made from history and memory. We are a people who influence and are influenced. We are a people who look to other cultures for certain details, to change them and make them ours. We are a people who ultimately know how to give and take honestly and specially.

We create products that are part of your daily life, seeking to provide unique, memorable experiences for consumers. We want our items to recall special moments linked to the Portuguese identity inspiring their creation.

All our products have the '100% Made in Portugal' label, drawing inspiration from our secular traditions, only using national raw materials and made by local artisans from across the country, which gives them a truly Portuguese soul.
